

Dope, One Fix

About time I don't care how you've been
I know you've got and i want it
Long night, and i don't want it to end
I'm glad to see you comin
I know what they think they do
Say no is what they'll say to
It's my dope so what's it to you
Well I know what I would do for one fix
Like this
It's my trip and it don't mean shit
One fix
With my bitch
And I'm lit and I'll get my kicks
One fix

Long drive in front of me my steering wheel is breathing
I'm high on everything to bring me down I'm drinking
Wo no the cops may nail you
Yeah so I've been to jail too
So long what can i tell you
Who knows just what I'd do for one fix
Like this
It's my trip and it don't mean shit
One fix
With my bitch
And I'm ripped and I'll get my kicks
One fix

One fix
Like this
It's my trip and it don't mean shit
One fix
With my bitch
And I'm ripped and I'll get my kicks
One fix.
