

# Dope, Sex Machine

Long hair big lips  
Little doll frame round her plastic tits  
She's automatic super clean  
Little bang baby all American dream  
American dream

My little baby is electric on it  
My little baby is a sex machine  
My little baby does it just like I want it  
My little baby is a sex machine

Start her motor, Take your time  
Rev her up slowly and pull the line  
Are you ready you wanna play  
Put your pedal to her metal  
She'll blow you away

My little baby is electric on it  
My little baby is a sex machine  
My little baby does it just like I want it  
My little baby is a sex machine

My little baby is electric on it  
My little baby is a sex machine  
My little baby does it just like I want it  
My little baby is a sex machine

Sex machine  
Sex machine  
A sex machine

Red, yellow, green GO

My little baby is electric on it  
My little baby is a sex machine  
My little baby does it just like I want it  
My little baby is a sex machine

My little baby is electric on it  
My little baby is a sex machine  
My little baby does it just like I want it  
My little baby is a sex machine

A sex machine, a sex machine  
My little baby is a sex machine  
A sex machine, a sex machine  
My little baby is a sex machine
