

# Dope stars inc, Trance-former

the crowd is dancing wild  
the virus is spread,  
you see there's no return  
and I scream out loud  
My hopes are gone,  
Cause now I feel alive  
the crowd is raising chaos  
the virus is spread,  
you see there's no return  
and I Play out loud  
My dopes are gone  
And now I feel perfect
