

Dope, Today Is The Day

Today is the day
That I will let it go away
That I will let it be okay
That I will throw it all away

Today is the day
That I will piss it all away
And will I miss it? Well I may
But that is the chance that I willing to take

I don't like this anymore than you
But I do what I got to do

I want to be free of every-- everything
I've had more than I can take

I want to be freer than free
I've had it
Today is the day

Today is the day
That I will smoke it all away
That I will toke it all away
That I will blow it all away

Today is the day
That I'll be happier to say
That I am living day to day
And that my life's the way I hoped it'd be

I can't buy this anymore than you
So I do what I got to do

I want to be free of every-- everything
I've had all that I can take

I want to be freer than free
I've had it
Today is the day

Today is the day
Today is the day
Today is the day
Today is the day

(instrumental break - 4 measures)

Forget about tomorrow
Forget about tomorrow (Today's the day)
Forget about tomorrow
Forget about tomorrow (TODAY'S THE DAY)

I want to be free of every-- everything
I've had more than I can take

I want to be free of every-- everything
I've had it
Today is the day

I want to be free of every-- everything
I've had more than I can take

I want to be freer than free
I've had it

Today is the day

Today is the day

Today is the day

Today is the day

Today is the day
