

Dope, You Spin Me Round

I, dont want to know your name
And I, do want your private number, baby
All I know is that to me
You look like you're lots of fun
Open up your loving arms
I want some,want some

I set my sights on you (and no one else will do)

And I (I I I), I've got to have my way now, baby
All I know is that to me
You look like you're having fun
Open up your loving arms
Watch,out here I come

You spin me right round baby, right round,
Like a record baby, right round, round, round,
You spin me right round baby, right round,
Like a record baby, right round, round, round,

I, dont want to be your friend now baby,
But I, would like to move in just a little bit closer
All I know is that to me,
You look like you're lots of fun,
Open up your loving arms
Watch out here I come

You spin me right round baby, right round,
Like a record baby, right round, round, round,
You spin me right round baby, right round,
Like a record baby, right round, round, round,

I want your love,
I want your love

All I know is that to me,
You look like you're lots of fun,
Open up your loving arms
Watch out here I come

You spin me right round baby, right round,
Like a record baby, right round, round, round,
You spin me right round baby, right round,
Like a record baby, right round, round, round,

You spin me right round baby, right round,
Like a record baby, right round, round, round,
You spin me right round baby, right round,
Like a record baby, right round, round, round,
