

# Doro, Brutal And Effective

Somebody please say a prayer for me tonight  
I'm feelin' lost and there's no hope in sight  
Tryin' to hold on.. to the vision  
So hard.. when you're down  
I'd trade an ounce of hard-earned wisdom.. just to get out!  
You'll never know, till you've been broken  
With the weight of the world in your hands  
Don't wanna know, heart full of sorrow... yeah!  
Nobody loves you when you're broken.. broken down  
Oh.. no money, no place to lay my head down  
Nobody to drive away the tears..  
And if I get my hunger again... oh yeah!  
And if I get that feelin' again.. it's all the same..  
You'll never know, till you've been broken  
With the weight of the world in your hands  
Don't wanna know, heart full of sorrow... oh!  
Nobody loves you when you're broken.. the last kind words you know  
And I don't wanna lie broken.. on the ground  
Owoh.. ohohoh... ahah  
Yeah yeah yeah yeah!  
Nobody loves you when you're broken  
With the weight of the world in your hands  
Nobody needs you when you're broken.. broken down..  
Ahoh-oo-oh-oo-oh-oo-oh  
I'm on the ground  
I'm broken down  
Hurtling down  
I'm down  
Ah I'm broken down  
I'm feelin' down  
I'm broken down  
I'm broken..
