

# Doro, Like Whiskey Straight

Lonely souls lost out on the highway  
Waited all night long but no-one's going my way  
And you know... it's a long way home  
Here I go... barely holdin' on  
I wish I knew all the reasons why  
My life just seems to pass me by  
Keep a light on in the window  
Say a prayer for me my friend  
Keep a light on in the window  
Don't give up on me cause I'll be back again  
One more night lying here without you  
Such a lonely fight, I don't know how to get through  
I have dreamed of a perfect world  
But down here it just keeps on hurtin'  
Where can I turn to I wish I knew  
Is it too much of me to ask of you  
Keep a light on in the window  
Say a prayer for me my love  
Keep a light on in the window  
Don't give up on me cause you're the only one  
It's hard to get back once you've been there  
Oh heaven knows how hard I've tried  
It's hard forgettin' what you witness  
Once you've seen the other side  
So hard to forget  
Keep a light on in the window  
Say a prayer for me my friend  
Keep a light on in the window  
Don't give up on me - don't give up  
Keep a light on in the window  
Say a prayer for me my friend  
Keep a light on in the window  
Keep your faith in me until we meet again
