## Doro Pesch, Burn It Up

A heartbeat like thunder Burning down under Ready to fly into the great sky When the flames getting higher You're feeling the fire You know it's our turn We're ready to burn

Burn it up
Bird of fire
Come on and set this place on fire
Burn it up
It will take you higher
Feel the heat and feel the fire

A body of iron
Hits harder then lightning
He's got a sharp sense
That's his best defense
He's a natural born leader
Fast as a cheetah
He's ready to win
Come on let's begin
