

Doro Pesch, Rock On

I've been here
And I've been there
People look at me
And stare they don't know
Where I come from

Well I've seen this
And I've seen that
And I don't care where they're at
My heart's beating like a drum

All I need to save my soul
Is a dose of rock 'n' roll

CHORUS

We're alright
Rock you all night
Hey .. rock on

What goes up
Ain't never comin' down
Hey .. rock on

I've been up
And I've been down
I've been all around this town
People, it's a human wasteland

I say oh yeah, alright
Better stick with me tonight
We'll go to the promised land

Set me free
Can't you see
It's the only way to be

CHORUS
