

Doro Pesch, So Alone Together

I've been looking 'round and this is what I found
there's not one of us
who wants to be somebody else
we would trade places, even trade faces
but when it comes to the heart
we wanna stay true to ourselves

There's not one of us like the rest of us
there's no two of us alike
and that will never change
all of us know it and all of us show it
but when it's down to the heart
I guess all of us are the same

All of us cry, all of us try to find someone
whose love will last forever
all of us know, all of us are on our own
It's up to us, to make ourselves feel better
all of us so alone together

If it were not for you,
I don't know what I'd do
and I just hope we go to heaven when we're gone
I've heard it's nice up there
you just sort of walk on air
and the best part's knowing
nobody ever has to walk alone

REPEAT CHORUS :
