

# Doro Und Warlock, Machine To Machine

So criminal, you're torturing me  
With your terminal eyes  
Your voodoo brings me down on my knees  
You're the murdering kind

Flesh on flesh, sweat on sweat  
Hot as hell, cold as steel

Two animals, machine to machine you got  
Some primitive feel  
Two animals, machine to machine  
Spinnin' in circles, spinnin' inside the wheel

So physical, electric i feel  
All i need is a taste  
You feed on any soul you can steal  
And some burn at the stake

Sex on sex, blood on blood  
Smooth as glass, lost in space

Two animals, machine to machine  
You got some primitive feel  
Two animals, machine to machine  
Spinnin' in circles, spinnin' inside the wheel

Two animals, machine to machine  
You got some primitive feel  
Two animals, machine to machine  
Spinnin' in circles, spinnin' in circles

Chorus :
