

# Doro & Warlock, River Of Tears

Walkin' on the wire  
Livin' on the edge of time  
Lost in our desires  
We're never satisfied  
Waiting for the wonder  
you could really lose your mind  
'cause fate is no hunter  
and fear can only make you blind  
We're hiding so much pain  
but it is all in vain  
Livin', lying for a  
Mission of Mercy  
rescue me and I will be your  
Mission of Mercy  
sat me free and I can be your  
Mission of Mercy  
Mission of Mercy  
Drownin in emotions  
tryin' to swim against the tide  
The devil is in motion  
and someone's always sacraficed  
We're hidin' so much pain  
But its all in vain  
Livin lying for a  
Mission of Mercy  
rescue me and I will be your  
Mission of Mercy  
sat me free and I can be your  
Mission of Mercy  
Mission of Mercy  
-SOLO-  
-SOLO-  
We're hidin'so much pain  
But its all in vain  
Livin lying for a  
Mission of Mercy  
rescue me and I will be your  
Mission of Mercy  
sat me free and I can be your  
Mission of Mercy  
Mission of Mercy
