

Dottie West, Before The Next Teardrop Falls

If she brings you happiness then I wish you both the best
It's your happiness that matters most of all
But if she ever breaks your heart if the teardrops ever start
I'll be there before the next teardrop falls
Though it hurts to let you go darling I want you to know
And I'll stand by you if you'll ever call
And if I should ever hear that she made you shed a tear
I'll be there before the next teardrop falls
I'll be there anytime you need me by your side
To dry away every teardrop that you cried
If she ever leaves you blue just remember I love you
And I'll be there before the next teardrop falls
Yes I'll be there before the next teardrop falls
