Dottie West, Clingin' To My Baby's Hand

I won't say he won't ever stumble but I'm clingin' to my baby's hand I won't say he won't bring me trouble but I won't say I won't understand I won't say he'll love me forever cause forever's a long long time But I will say he will never ever say she was never mine Tomorrow could be forever away still I'd love him no less than I love him today So tonight sleep will find me while it still can just clingin' to my baby's hand Tomorrow could be forever...
