

# Dottie West, Don't Keep Me Lonely Too Long

It sure gets lonely alone no one to talk to alone  
Nights sure get longer since you're gone don't keep me lonely too long  
I need your arms to hold me and hear you say you need me  
Don't let me live on dreams alone don't keep me lonely too long  
Mem'ries are bad on one so lonely  
My tortured heart cries out because it loves and wants you only  
Yes I'm so lonely alone afraid of being all alone  
Without your love I can't go on don't keep me lonely too long  
Without your love I can't go on don't keep me lonely too long
