

# Dottie West, Is This Me

Is it really me sittin' here crying  
Well it shouldn't be It just can't be me my eyes're lying  
Cause that's not you it just can't be you you wouldn't be cheating  
It's someone else yes it's someone else whose darling's leaving  
I can't believe my eyes you took me by surprise  
How I wish I'd just stayed home I'd still be thinking you're all my own  
This isn't me it just can't be me sittin' here crying  
It's just a dream it's got to be a dream our love can't be dying  
I just can't believe my eyes you sure took me by surprise  
Oh how I wish I'd just stayed home I'd still be thinking you're all my own  
Now this isn't me it just can't be me a sittin' here crying  
Maybe it's just a dream oh it's got to be a dream our love can't be dying
