

# Dottie West, It's A Sin

It's a sin my darling how I love you because I know our love can never be  
It's a sin to keep these mem'ries of you when silence proves that you've forgotten me  
The dream I built for us now has tumbled each promise broken just like my heart  
It's a sin my darling how I love you so much in love and yet so far apart  
[ strings ]  
I'm sure you must be happy with your new love who shares all the love I couldn't win  
(It's a sin) it's a sin how I love you so much in love and yet so far apart
