Dottie West, Just One Time

If I could see you just one time oh how it'd ease my troubled mind
If I could just hold you one more time and then pretend that you're still mine
Lips that used to thrill me so they now thrill someone else I know
Gone is the love that once was mine wish I could see you just one time
Oh oh how I miss you so oh I need you so
I I I'd give this heart of mine if I could see you just one time
I quitar + steel I

[guitar + steel] Wish I could relive just one time turn back the pages and there I'd find That same old love that once was mine wish I could see you just one time Oh oh how I miss you so...

Oh oh oh how I miss you so..
