

Dottie West, Left Over Corner Of Your Heart

You tell me you love her with all of your heart
And there's no room left there for me
But someday if she'll hurt you and your whole world falls apart
I'll take a left over corner of your heart
Just a left over corner of a heart not much as true
But it just goes to show how much I want you
For I'd give my heart full of true love for tiny little start
In that left over corner of your heart
[strings]
Just a left over corner...
