

# Dottie West, Lonely Again

You told me that others before you were foolish to cause me to cry  
And just when I learned to adore you you kissed one more dream goodbye  
And left me lonely again just like you found me lonely again no arms around me  
Just when I'm sure that my heart is secure  
And my teardrops are dry with a warm glow inside  
And this love of mine till the end of the line  
That's always the time that I'm lonely again

You told me you wanted me only and this time this love would last  
You told me I'd never be lonely but now you belong to the past  
And I'm so lonely again...
