

# Dottie West, Love's Farewell

The time has come for me to leave you cryin'  
But love is priceless when it's stained with tears  
Love has wings and my love is ever flyin' in its way to you through endless years  
Love's young dream foretells no separations that sacred flame can burn reality  
Yet life deals out its own destinations and sunshine turns to darkness so suddenly  
Time had touched me gently in the face and consolation I must try to find  
To leavin' deaf I leave you no disgrace and I'll live within the heart I leave behind
