

Dottie West, Tip Of My Fingers

I reached out my arms and I touched you with soft words I whispered your name
I held you right on the tip of my fingers oh but that was as close as I came
My eyes had a vision of sweet lips yeelding beneath my command
I had your love on the tips of my fingers but I let it slip right through my hands
Yes I let it slip right through my hands
Somebody took you when I wasn't looking and I should have known from the start
Well it's a long long way from the tip of my fingers
To the love that's hidden deep in your heart to the love hidden deep in your heart
Yes somebody took you...
