Dottie West, Tip Of My Fingers

I reached out my arms and I touched you with soft words I whispered your name I held you right on the tip of my fingers oh but that was as close as I came My eyes had a vision of sweet lips yeelding beneath my command I had your love on the tips of my fingers but I let it slip right through my hands Yes I let it slip right through my hands

Somebody took you when I wasn't looking and I should have known from the start Well it's a long long way from the tip of my fingers

To the love that's hidden deep in your heart to the love hidden deep in your heart Yes somebody took you...
