

Dottie West, Way To Survive

I look at your picture too often it helps keep your mem'ry alive

It's not healthy they say to relive yesterday but for me it's the way to survive

I must cling to what's gone if I've to go on I can't face the future I've tried

Perhaps for the rest looking back isn't best but for me it's the way to survive

[guitar - steel]

When my heart aches I read all your letters and the words make our love come alive

They say I can't last if I live in the past but for me it's the way to survive

I must cling to what's gone...
