

# Double Nation, Move Your Love On Me

Move your love on me

1. Babe, babe, you're all

I need Boy you save me

It feels all right

I don't wanna come down,

no no no no.

Babe, babe give it to me

Babe, babe you lift to me

So high I don't wanna come down,

no no no no.

R: Move your love on me

You can set me free/x3

Move your love on me

Move your love on me

You can set me free

In this world on you and me

Move your love on me

Try for help you see

In this dream of you and me

Move your love on me ....
