

# Double You, Looking At My Girl

It happened long ago when I don't know  
You and I my friend one day will meet again  
You're the feeling the greatest one of all

Hey little girl crying in your sleep  
You need a man to love a man to stand by you  
You're the feeling the greatest one of all

You touched my soul  
I'm coming back to you for good  
I'm feeling low  
All that we got is each other

Looking at my girls in the eyes  
She's tearing me apart  
She's tearing me apart

I don't know the way that you feel  
She's tearing me apart  
She's tearing me apart

I imagine you lying in your bed  
You can't forget at all the memories in your head  
You're the woman that everyone desires

You touched my soul  
I'm coming back to you for good  
I'm feeling low  
All that we got is each other

Looking at my girls in the eyes
