DoubleDrive, Reason

What are you taken
Misleading again
And that face that you're making
You
Better clean it when you can can can

We're gonna suffer Inquisition form the pharisees I know you didn't mean to move by And leave me to take the blame Let them right What was left of me

And the REASON I get this The REASON I get this Way I don't know - I don't know

Come in relax and have a seat You look sort of nervous and ashamed I know you've never seen the fall guy Take the dive and wear the scar But trophy the pain

YOU BETTER BELIEVE I WATCHED YOU SUFFER

and the REASON I get this . . .

but is it worth the pain

I know
the reason I get this
the reason I get this
the reason I get this way everday
the reason I get this way
and the reason I get this way
I don't .don't know
The reason I get this way
