

Doug Anthony All Stars, Throw Your Arms Around

Throw Your Arms Around Me.
I will come for you at nighttime,
And I will raise you from your sleep.
Lord I will kiss you in four places,
And go running up your street.
And I will squeeze the life out of you,
And you will make me laugh and make me cry.
And we may never forget it,
You'll make me call your name,
And I will shout it to the blue summer sky.
And we may never meet again,
So shed your skin and let's get started.
And you may throw your arms around me,
Yeah you may throw your arms around me.

Well I came for you at nighttime,
And I watched you in your sleep.
Lord I met you in high places,
I kissed your head and kissed your feet.
Now if you disappear out of view,
You know that I will never say goodbye.
And though I try to forget it,
You'll make me call your name,
And I will shout it to the blue summer sky.
And we may never meet again,
So shed your skin and let's get started.
And you may throw your arms around me,
Yeah you may throw your arms around me.

Well I came for you at nighttime,
And I watched you in your sleep.
Lord I kissed you in four places,
I kissed your head and kissed your feet.
Throw your arms around me,
Yeah you may throw your arms around me,
Yeah you may throw your arms around me.
