And it's a celebration, to last throughout the years  
So bring yo' good times, and yo' laughter too  
We're gonna celebrate, and, party witchu, c'mon missjones

[Chorus: missjones]

[Doug E. Fresh]

Yo, yo, yo!  
I like the way it's goin down  
Shit is so hype that I can't sit down  
Bodies bouncin, DJ announcin  
So many women I can't stop countin  
One by one I spread light like sun  
as I press up, keep my wreck up, you can check up  
from my feet below yo to my neck up  
Smooth as water, and here's the daily order  
I'd like to thank all the supporters  
Uhh, and I know some of y'all caught us  
in yo' city, but we was gettin pity  
Most of y'all negroes some said who is he?  
On stage in a rage next day front page  
Headlines read - HE GOT WHAT YOU NEEEEEEEEEEED  
Uhh, c'mon!

[Chorus: missjones]

Don't stop - ohh no - can't stop  
Doug E. you got it goin on.. (say what?)  
Don't stop, can't stop  
Doug E. you got it goin on..

[Doug E. Fresh]

Yo, yo, yo!  
No time to waste, let's congregate  
&quot;Six minutes I'm on&quot; and I just can't wait  
As I step through, make an attempt to  
party zen then I represent who?  
East coast, who? West coast, who?  
Old school, who? New school  
It ain't where you're from it's where you're at  
And if yo' shit's - fat, then that's that!  
{\*beatboxing\*}

Yo, yo, and as a matter of fact  
Don't get it twisted, and if you missed it  
Before I stop, but the fans insisted  
for me to return cause I burn baby burn  
And people yearn, out of concern, to confirm  
I rip the stages, flip the pages  
Style is ageless, c'mon, uhh!  
I said - I rip the stages, flip the pages  
The style is ageless, and I'm say it again y'all  
I rip the stages, flip the pages  
Style is ageless, ah c'mon missjones, uhh!

[Chorus: missjones]  
Don't stop (say what?) can't stop (uhh)  
Doug E. you got it goin on.. (uhh, say what now?)  
Don't stop (c'mon) can't stop
