[Hook - 2x]

You hoes, still can not fade these G's
We be smoking and choking, and blowing on weed
Keeping my pistol cocked, when I ride in these streets
This nine with this beam, will put you bitches to sleep

[Dougie D]

You bitches, still ain't fucking around with the Dougie yeah
I keep it gangsta on my grind on my own, by myself
You pussy niggaz, is some bitches thinking I don't know
It's Dougie D I'm a guerilla hoe, and that's fa sho
I'm in the game, but ain't no games being played by me bitch
I GMS up on my hustle, hoe I'm getting rich
Grown man shit, bitch and you ain't fucking with it
Up on my pimping daddy, you niggaz'll never get it

Whenever I need me some weed, some lean-o when I ride
You motherfuckers got us wrong, bitch we Maab tied
My niggaz get shot and keep living, guerilla inside of em
Don't be mistaking and thinking, it's all fun and lies

You bitches can't fade me, I never will so bitch keep trying
You fucking with a heathen, and that's on my blood line

[Hook - 2x]

[Dougie D]
