

Dougie MacLean, Jamie's Song

<Hold out your little hand
Open up your little eyes
Daddy is waiting here
To comfort all your newborn cries

A little smile upon your face
Looking up in sweet surprise
Daddy is waiting here
God knows, he tries and tries

"Looking at you
Makes me wanna get older
Makes me wanna shout it out
It makes me wanna shout

Looking at you
Little head on my shoulder
Now that's what it's all about
That's what it's all about
"

Lying there, so cosy warm
While the winter tempest blows
Daddy is waiting here
to tell you everything he knows

We will laugh and we will cry
For nothing is the way it seems
Daddy is waiting here
To help you through your newfound dreams

"Looking at you
Makes me wanna get older
Makes me wanna shout it out
It makes me wanna shout

Looking at you
Little head on my shoulder
Now that's what it's all about
That's what it's all about"

There is no way to know
What brings the summer breeze
The tide of time will take us
She wants to please

So hold out your little hand
open up your little eyes
Daddy is waiting here
And God knows he tries and tries

"Looking at you
Makes me wanna get older
Makes me wanna shout it out
It makes me wanna shout

Looking at you
Little head on my shoulder
Now that's what it's all about
That's what it's all about">
