

# Dove Cameron, Breakfast

You're smoke in my hair  
Hot and dirty like the LA air  
That face baby it ain't fair  
But you don't know what you don't know  
What you don't know

Oooooo so you wanna talk about power  
Oooooo let me show you power

I eat boys like you for breakfast  
One by one hung on my necklace  
And they'll always be mine  
It makes me feel alive

I eat boys like you for breakfast  
I know that you tried your bestest  
I never said it's right  
But I'm gonna keep doing it

I'm sick yeah I'm sick  
And honestly I'm getting high off it  
Do you wanna see a magic trick?  
Cause you don't know what you don't know but I know

Oooooo so you wanna talk about power  
Oooooo let me show you power

I eat boys like you for breakfast  
One by one hung on my necklace  
And they'll always be mine  
It makes me feel alive

I eat boys like you for breakfast  
I know that you tried your bestest  
I never said it's right  
But I'm gonna keep doing it

I eat boys I eat boys  
I eat boys I eat boys

You're smoke in my hair  
Hot and dirty like the LA air  
That face baby it ain't fair  
But you don't know what you don't know  
What you don't know

I eat boys like you for breakfast  
One by one hung on my necklace  
And they'll always be mine  
It makes me feel alive

I eat boys like you for breakfast  
I know that you tried your bestest  
I never said it's right
