

Dove Cameron, Lethal Woman

Head to toe
Usually I keep it casual
I'm practical
Dare to go
Would you turn the room diagonal
Unnatural

Cause she walks like a saint
Floats like an angel
Sharp like a knife under the table
Can't feel my face
I should have stayed home
I know what she's doing
She's a lethal woman
She's a lethal woman

Shame
I came all this way just to feel this
Pain
Hallelujah baby light it up take your
Aim
Know that I'm coming to get you cause game recognizes game
By the way what's her name

She walks like a saint
Floats like an angel
Sharp like a knife under the table
Can't feel my face
I should have stayed home
I know what she's doing
She's a lethal woman
She's a lethal woman

Lethal woman, lethal woman, lethal woman
I didn't ask for this
But I'm not mad at it
So if I can't resist
I guess I'm powerless
I didn't ask for this
I'm not a masochist
I guess I'm into it
I like a lethal woman
