

Dove Cameron, What A Girl Is (ft. Christina Grimmie)

Dove:

On a scale from one to ten
I am perfect like I am.
I don't need your number.
We don't need your number.
And the stupid Magazines
want me to change my everything,
It don't even matter,
They're not takin my power
So over all of these voices around
They've said enough
It's my turn lets get loud

All:

I'll show you what a girl is ,
Cuz all of me is perfect
Who cares about a dress size,
It's all about whats inside
I'll stand up know and wont back down
Were breakin through the surface
I'll show you what a girl is

Christina Grimmie:

Flawless in our skin,
Your words don't mean anything
I'm done wastin my time
I can make up my own mind
So over all these voices around,
They've said enough
It's my turn let's get loud

All:

I'll show you what a girl is ,
Cuz all of me is perfect
Who cares about a dress size,
It's all about whats inside
I'll stand up know and wont back down
Were breakin through the surface
I'll show you what a girl is

Dove:

You are exactly what your made to be I swear
Don't be afraid to put yourself out there

Baby Kaely:

It's pretty clear you wont see us on the sidelines NO!
Were gonna take it over standin like a high write YEAH!
and If you ever doubt a word a girl can do
Sit back and lets us show ya YEAH!
It's been really nice to know ya
No doubt were a force of nature thats un deniable
Get together and we'll buid this house right down on ya
I got a feeling we'll be there for ya
Sit back and let us show ya
Cuz the girls are takin over

Dove:

On a scale from one to ten, I am perfect like I am
I don't need your number
We don't need your number

All:

I'll show you what a girl is ,
Cuz all of me is perfect

Who cares about a dress size,
It's all about whats inside
I'll stand up now and won't back down
We're breakin' through the surface
I'll show you what a girl is
