Good bye my friend  
yeah i'm leaving forever  
the day that you die  
i'll se you in heaven.

I swear I can't , I can't stay  
I swear I can't , I cant love myself  
listen to me.

Good bye my friend  
yeah i'm leaving forever  
the day that you die  
i'll se you in heaven.

I swear I can't , I can't stay  
I swear I can't , I cant love myself  
don't you see? , you still got a chance to breath?  
don't you see? , I want you to stay with me.  
listen to me
