

Dover, Loli Jackson

LOLI JACKSON

Tell you my love where to hide me away
tell you my love where to find me again
why cry, leggy smile I never had
star inner style
golden dreams that passed me by

Tell you my love reckless nights passed away
as I tried not to hate
I won't care what they say
why cry, leggy smile I never had
star inner style
golden dreams that passed me by

You said I'm on fire
well I don't think so and she said fine
you said don't lie
well I don't think so and she said fine
I'll close my eyes and die

Tell you my love where to hide me away
tell you my love where to find me again
why cry, leggy smile I never had
star inner style
golden dreams that passed me by

You said I'm on fire
well I don't think so and she said fine
you said don't lie
well I don't think so and she said fine
I'll close my eyes and die

You rather! You rather!
I couldn't watch you before
now you play every night
