

# Dover, Me And My Mul

you're so stupid  
and your ego is so big  
hey ! i just don't need you anymore  
i've been watching you for so long baby !  
that i can't help hating your face

i just wanted you to be the one  
but i can't help hating you ! i can't !  
i hate you

every season that i wake up late  
i have this bad sensation that i'm dead  
if you help me one more time  
i swear that i will pay you back  
this time i will

i just wanted you to be the one  
but i can't help hating you ! i can't i hate you !

so, are you sure you want to feel  
the power of my knee ?  
yes ! so bad !  
so please !
