

Dover, One Black Day

Hold your breath
It's new wave
Pretty songs
For the Dead

Out of the closet
And back into sex
You look like danger
(AND) You're not in the plan
I have been trying to get out of bed
Oh please! don't say that you want
Me to stay

Call your friends
It's new wave
Lost my heart
One black day

Out of the closet
And back into sex
You look like danger
(AND) You're not in the plan
I have been trying to get out of bed
Oh please! don't say that you want
Me to stay

Out of the closet
And back into sex
You look like danger
You're not in the plan
YEAH! YEAH! YEAH!
YEAH! YEAH! YEAH!
YEAH! YEAH! YEAH!
YEAH! YEAH! YEAH!
