

# Dover, Sea Witch

Sounds like a joke  
but you can bet it is not  
I am a witch!  
there are powers in me  
do you believe it?  
I will fix my ugly body  
I've got no time to get in trouble  
no one will recognize me  
all I need is just a bowl and a candle

Wellcome to the seas  
so wellcome!

Hey! remember we don't need you to lead us!  
Hey! don't you forget that we don't need you to lead us!  
Oh! yeah! we don't need you to lead us!

Now he says I'm abusing  
that I just needed a new face
