

Dover, Sea Witch

Sounds like a joke
but you can bet it is not
I am a witch!
there are powers in me
do you believe it?
I will fix my ugly body
I've got no time to get in trouble
no one will recognize me
all I need is just a bowl and a candle

Wellcome to the seas
so wellcome!

Hey! remember we don't need you to lead us!
Hey! don't you forget that we don't need you to lead us!
Oh! yeah! we don't need you to lead us!

Now he says I'm abusing
that I just needed a new face
