Dover, Sick Girl

SICK GIRL

No one's gonna make it happen sick girl no one's gonna do a thing for you don't you realise you don't belong here No one's gonna do your thing for you

No one's gonna make it happen sick girl No one's gonna play the game for you don't you realise you don't belong here No one's gonna do your thing for you

And I woke up and he was there oh! This life is over now I don't need death I need light sick girl
