

# Doves, Down To The Sea

Drive with me,  
do the things you won't believe  
Drive with me,  
past the city and down to sea

Crushing Dreams  
Leave me be, I cannot sleep

Drive with me,  
do the things you won't believe  
Drive with me,  
past the city and down to sea

Crushing Dreams  
Leave me be, I cannot sleep

Oh, it's the pain  
It's ingrained in me  
Oh, soothe my pain  
It's ingrained in me
