

# Dovetail Joint, Beautiful

Just because you're high  
Just because you smile  
Think that you're the one  
Brighter than the sun  
You don't need the world to get by

So you're beautiful  
So you're beautiful  
So you're beautiful

Radiate a glow  
Confident to know  
Beauty's always been  
Movement from within  
Ratchet by your effortless flow

Makes you beautiful  
Makes you beautiful  
Makes you beautiful  
Makes you beautiful  
Makes you beautiful

Such resplendid grace  
Such resplendid grace

(incomprehensible dialog)

Oh....'cause you stir fascination  
may I extend invitation

Please, play with me....please

Hey, oh, you stir fascination  
may I extend invitation

Makes you beautiful  
makes you.....  
makes you beautiful  
makes you.....  
makes you beautiful  
makes you.....  
makes you beautiful  
makes you.....
