

Down By Law, D.J.G.

You are the happiest minute on a sunny day
and a silly song, when no one is around
I am a sorry sight on a Saturday night
you know that if I'm fine, I will soon be down but I know that you think I'm o.k.
so that's all that matters anyway
yeah I'm the guy that forgets your kiss on valentines
you know I'm a jerk but you let me off the hook
I don't know what you see in me but I'm glad that you think so
you're just too good for me and yet you're perfect company
and I know that you think I'm o.k.
and that's all the matters anyway
you are the best thing that ever came to me
and when forever ends together we will be
