

Down By Law, Superman

i'm gonna knock down every wall (I find)
gonna spit out bullets
gonna be a hero (the super kind)
can you dig it?
Cause someone needs to clean things up
before things get much worse

and if I could i'd be the one
cause I want to be
yeah I want to be
yeah I want to be like superman
but I can't seem to fly
now life can be a drag sometimes
no matter how hard you smile
people pushing drugs, they're looting and killing
those are roads I won't go down
i'm looking for some common ground
or at least a rock so I won't drown
and if I could i'd be the one
cause I want to be
yeah I want to be
yeah I want to be like superman
but its all in my mind
can you dig it?
Who's gonna be the one to take
all the assholes us humans make?
I'm not gonna be the one to save you
when you don't even give a fuck
wish I could be like superman
but all you can do is try to fly
