Down in the Dumps, Pint Glass Dance

you got me thinking, broken pints with hearts sinking drunk and jumping, this is everything to me pouring out every word, stompin' in beer and dan's dancing on glass don't let these nights ever stop, never ever. no matter what happens and despite all the words that will come stumbling from all their mouths, this is everything to me. so keep fucking dancing and we'll keep on playing, you're all that we need to feel, to play, to live this is what we love.
