

# Down Low, H.I.V.

Hes crawling thru your blood, hes comin thru your cells...  
when you dont protect yourself, he strikes you  
Do you know who he is? Its the H.I.V.

Here we go, check it out!

Running thru your blood, intervening thru your cells,I be your worst nightmare, so you can go and t  
In the 20th century they invented me, swallowed meny medicine,tackled many vaccines  
Still standing here on my own and I cant wait to get up in your home  
Ill destroy your life and even take your wife,so you better think twice before you take that price...  
Im coming in a midnight creep, watch ya family weep,  
slowly putting that ass to sleep  
Im much greater as the dominator, you and me one and one  
I know, Im the remainder  
Hopefully I go down in history as a memory, you know my name  
Ill be the H.I.V. !!

Chorus:

Somebody please help me, cause I am falling (come on)  
Im going down, cant you hear me calling (huh)  
Cant you see, whats going on with me  
Oh! I need someone to help me!... (Ill be the H.I.V.)  
Somebody please help me, cause I am falling  
Im going down, cant you hear me calling (huh)  
Cant you see, whats going on with me  
Oh! I need someone to help me!... (Ill be the H.I.V.)

Life is born from unprotected sex,life is born, sharing needles with the next  
Ctach the context as I start to move it on,listen-up out there to the facts of the song  
No feeling when Im coming to your heart,destroy your whole family just to do my part  
Can you hear me?Yo! you do, in twenty more seconds Ill be inside of you  
Slowly see his or her health begins to fall,and sooner ot later I hear the phone call,protect yourself  
Or Ill be coming yo you, pump it thru!  
Thanks for the media for giving me attention,and while Im in your mind,  
I like to mention, diseases of this world are family to me  
Cause Ill be the one you hate, Ill be the H.I.V. !!

Somebody please help me, cause I am falling (come on)  
Im going down, cant you hear me calling (huh)  
Cant you see, whats going on with me  
Oh! I need someone to help me!... (Ill be the H.I.V.)

Bridge:

Is there anybody out there? Does anybody hear me?  
Does anybody hear me falling?  
Is there anybody out there? Oh, cant nobody see?  
Cant nobody stop me from falling?? (Ill be the H.I.V.)
