

Downface, Storm (Part Of Me)

You are a part of me You are a part of me
And I'll never be All alone
Storm in front of me rains pelting me
No I'll never be All alone
Moving readily Trying not to be
One of the world's clones.
The only bill to pay no longer free
I crouch down beneath the judge
I wanted more.
I've seen the storm ..coming..
yet I wanted more.
Now I'm in the storm
You are a part of me You are a part of me
No I'll never be all alone..
Hand reaches for me Through the dark I see
My eyes being lifted up..
Praying for mercy Much too late to see
that I have fallen down.
I wanted more.
I've seen the storm ..coming..
yet I wanted more.
Now I'm the storm
