All Crews

Rock my own style, got my own flava, never off beat, fresh outlines across my piecebook paper, fru  
I bust cuts, must I open up? Ain't you seen enough yet, wide variety raw urban street sect., high tec

All Crews

Listen! Reverse the theme and the title, Jah bless and comfort my enemies & rivals  
Who's the trespasser and what you after? Nothing that can't be replaced by my master  
Warning! Before your eyes seeds are forming, remember your true mercies you great one's of glory  
Avenge my soul, add on to what is before me, to enter the palace reason must speak, yeah!
