

# Downset, Tear Us Apart

We screamed with passion, can't remember warmer moments, can't recall brighter wholeness, we  
Brother, your face blazed of stunning, loving grace, sister serenading, healing as of a mothers emb

Set me up

Set that mic up, epic, disconnected, dramatic, seperate masses ending with emptiness, torn storm,

(x2) (Life)

(Words) (x2)

Tear us apart

These things never heal, these course of events will craft a dear soul, steal the danger from expect

(x2) (Life)

(Words) (x2)

Life will tear us apart

This hour, those moments, this hour, those moments, this hour, those moments, this hour, those m
